- Begin a path to shamanic healing or expand your current talents
- Discover a pathway of inner calling and personal transformation

- Be guided on shamanic journeys to experience your power animal and the profound usefulness of this connection in your everyday life
- Learn useful strategies of coping with current and previously challenging personal situations
- Begin to explore the power of intention and manifestation in your life
- Experience compassion and non judgmental love
- Trust your intuition
- It's your birth right to have inner peace, balance, intuition, and self-healing
- Further develop synchronicity in your life
- Understand elements of ceremonial mastery
- Feel a deeper connection to the flow of the world around you

This apprenticeship program provides all participants with a *re-membering* of their common destiny as luminous strands within the great web of life. These are profound teachings that become part of who you are.

This is a unique opportunity to learn from **Rev. Dr. Gary Langston** (Red Bear Who Sees All Worlds) in the Central, MO (Columbia area) apprenticeship series. He is a master teacher, gifted ceremonialist, speaker, shamanic counselor, and ordained minister. He holds a Doctorate of Divinity in Metaphysics and Spirituality. He is called upon by his own tribe of the Northern Cherokee as medicine man, endorsed by the Heart of the Healer Foundation and personally trained by don Oscar Miro-Quesada. Gary humbly serves with respect, honor and love.

"I have participated in many healing ceremonies but what transpires in circle with you borders on truly... PHENOMINAL... Remarkable and way beyond my wildest dreams... Thank you SO much!"
